

July 20, 2011

Dear Support Team:

It is our privilege to give you a short summary of our Annual Meeting on the 16th of July 2011. We were pleased to have several delegates representing a few churches in AZ as well as one church in Georgia in attendance to the meeting.

Our chairman Ron Schlatter conducted the meeting that had the usual business of electing Board members for their future service and a report from our Executive Director, Marc Silliman. The highlight of the meeting came when we joined together to honor our long time librarian, Florabel Packard, for her 25+ years of service to God here at AICM by naming the classroom & library building in her honor. Florabel has retired from full time librarian service but continues to give her time and talents to Him on a part time basis at present. Please feel free to send a card or note of encouragement to Florabel at 924 Mission Lane, #15, Show Low, AZ 85901

Elected to serve a three year term on our Board of Directors are:

Victor Klundt – Broadway Christian Church, Phoenix, AZ .

Terry Harmon – Cornerstone Christian Church, Brownsburg, IN

Tom Cooper – Broadway Christian Church, Phoenix, AZ

Marc reported that God's support has been faithful to supply the operating budget of the last fiscal year through more than 600 individuals and churches. The adopted FY 2011-2012 budget is similar to last and is enclosed in the report packets. The Board has cast the vision for discovering fresh opportunities to minister into the families on the White Mountain Apache Reservation by doubling the Apache Christian Connection mobile ministry (Blue Bus) and looking into the feasibility of a satellite school on the Apache Nation. The State has tightened the rules for our precious Arizona Tuition Tax Credit program. Our long time friends at Chaparral Mission Scholarship Fund were unable to absorb the additional expense of new monitoring and reporting so they have ceased operations. The Board has identified the Arizona Christian School Tuition Organization (ACSTO) to be our preferred STO but other STOs will provide scholarships at the donor's direction. The announcement of this change will be out soon. .

Thank you for your faithful support. Questions and comments should be directed to Marc at our Office telephone # 928-537-5912 or by Email to marcsilliman@frontier.com

Your AICM Board of Directors
