Our Friends:

I want to take this opportunity to thank all of you again for all you are doing for the children here at the mission. We have such a great student body. To watch their growth and attitudes is awesome. Thank you for all your prayers and encouragement to them.

As we dive into this week, I would ask that you would pray for two specific things for the mission.

1. Please pray that everything we do, we would do it to glorify Christ.
2. Continue to pray for the salvation of many of our children.

As you go throughout your week, please be mindful that the very children that you support need your prayers and encouragement. Although we are in some trying times financially, the spiritual presence here on campus is contagious. I'm reminded of a powerful scripture in 2 Corinthians 4:7-10. I would encourage you to read it and meditate on it as the staff does the same this week.

Again, thank you all and we will continue to pray for you as you pray for us.
