**"EVANGELIZING AND EQUIPPING  
 NATIVE AMERICANS FOR CHRIST"**

American Indian Christian Mission does not discriminate on the basis of race, religion, color or national or ethnic origin.

# JESUS LOVES THE LITTLE CHILDREN...

American Indian Christian Mission seeks to raise up a generation of Christian leaders for the Navajo and Apache reservations by ***“Evangelizing and Equipping Native Americans for Christ.”*** We do this by investing in one child at a time. Each student receives a quality education, the loving care of Christian dorm parents, and Christ’s life-giving message woven throughout.

Sponsoring a child allows AICM to extend much needed opportunities to Native families who want “better” for their children. Christ is their only hope for breaking the cycle of poverty and defeat. Together with Christ we can make a difference.

## The American Indian Christian Mission Is Christ-Centered

All care and teaching is provided by Christian staff members. Academics meet state standards and we have daily Bible classes. The dorm parents provide devotions and once a week home style meals in the dorm. Our campus holds weekly chapel services and two youth retreats every year. All of the above provide a Christ-centered atmosphere on campus.

*We are supported by the free-will offerings of individuals, organizations and churches.*

## What Will Your Sponsorship Mean?

Having a sponsor makes a lasting impression in the life of a student. The child you sponsor will receive:

- A safe home provided by Christian dorm parents who nurture and develop each child on campus
- A balanced education for their spiritual, physical, mental and emotional well being.
- Proper nutrition through three balanced meals daily in the our dining hall.
- Transportation to and from the reservation.

## What Sponsoring A Child Can Mean To You

As a child sponsor, you are linked to a Native child who can become the focus of your love, giving and most of all prayers. Your sponsorship may be long or short term. An individual commitment or one with friends, Sunday School class, etc. You may correspond with your sponsored child, as well as send a birthday gift or holiday gift if you desire, but please limit these gifts to \$25.

## The Need is Great!

The American Indian Christian Mission provides an opportunity for Native American children to succeed and find hope that they can not find on the reservations. Income on the reservations falls well below the national poverty level. Unemployment, alcoholism, inferior education, high teen suicide rates, short life expectancy and the inability to cope with life off the reservation are all common problems that Native Americans face during their lifetime. We believe that Christ will make a difference in their lives! Your sponsorship can help AICM present the Gospel to more Native American children. Be a part of the healing and hope Christ can brings to a child’s life by sponsoring a child today!
