Smoke Signal December 2018

We give all praise and glory to our Lord Jesus Christ for the forgiveness of sin and for reconciling all of us back to right standing with the Father for all who believe. We thank You, Father God, for filling us with the Holy Spirit to guide us and for the strength to overcome this world.

We also thank all of our faithful supporters, sponsors, teams, donors, and prayer warriors. Without you the much needed work God is allowing us to do would not be possible. The support you provide is helping us to proclaim the Gospel of Jesus to many children that attend AICM school right here on our campus every day. We work hard at giving them a good education intertwined with biblical teaching in every subject. Your support is also reaching families on the Fort Apache Reservation with the hope they desperately need.

We are proud to announce the newest addition to the AICM staff. Poncho and Julie Harvey and their family came to us in July 2018 to help with a tile project and we kept them. Poncho gave his life to Christ and was baptized in the spring of this year. Julie rededicated her life to the Lord at that time also. We even married them right here in our chapel August 1<sup>st</sup>, 2018. They desperately needed to get away from the lure of the reservation and in God's perfect timing our Maintenance Manager, Scott Alkire, needed some help on our campus, so we brought them here. Since the day they came they have been soaking in God's word and growing everyday and they have even been helping us to reach out to their people with this new found hope in Christ they found. Poncho is now our Groundskeeper and Julie is in training for kitchen management. We are so blessed to have this joyful family here and we are so proud of them. Please keep them in prayer.

If you would like a representative from AICM to visit your church, please contact us at 928-537-5912 or email to [contact@aicm](mailto:contact@aicm).

# American Indian Christian Mission 2018 Christmas Party

Just like many children, our kids are no different when Christmas is just around the corner: To put it mildly, they get very excited, and as the day draws near for our annual Christmas party, their excitement reaches a fever-pitch, for this is the night that our children are blessed with gifts from their sponsors and supporters of the Mission.

The evening started with Pizza and Soda, which of course the kids enjoyed, but what they really wanted to do was to get at those piles of gifts that had been arranged so very carefully for them on tables in the gym! And when the actual time came to open those colorful and beautifully wrapped gifts, the gym came 'alive' with huge smiles and appreciation for what they received ... from people that they had never even seen before, but cared enough to make their Christmas as bright as they possibly could!

Toys, stuffed animals, Pokemon Cards, games, books, watches, tablets, clothes, headphones, drone's ... you name it ... our kids couldn't have been happier with what they received from our wonderful CSP sponsors and supporters of the Mission.

To say that the children of The American Indian Christian Mission greatly appreciated these gifts and the love of those that provided the gifts in the first place ... would be an understatement!

All of us associated with The American Indian Christian Mission, simply can't thank our sponsors and supporters enough for what they do to bring happiness to the children we serve!
