

CHILD SPONSORSHIP PROGRAM APPLICATION

American Indian Christian Mission seeks to raise up a generation of Christian leaders for the Navajo and Apache reservations by “Evangelizing and Equipping Native Americans for Jesus Christ.” We do this by investing in one child at a time. Each student receives a quality education, the loving care of Christian house parents, and Christ’s life-giving message woven throughout their experience with AICM. With a donation of only \$30.00 a month you can help provide a child with healthy food, clothing, hygiene items, housing and this Christ centered experience that gives them a chance at hope for their future.

Our sponsors communicate with their child through letters and are committed to praying for their child. You will receive a photo of the child you sponsor and his/her personal story as well as letters throughout the school year. Your sponsorship may be long term, short term, an individual commitment or one with friends, a Sunday School class, or other small group.
